#### 1. Approval of the minutes of the 54<sup>th</sup> H&S Committee meeting

Minutes already approved by written procedure, to be approved for the record. They are attached as per **enclosure 3**.

#### 2. Action points of the 54<sup>th</sup> H&S Committee meeting

Actions from the previous meeting to be reviewed. Please refer to **enclosure 4**.

#### 3. Chemicals at the workplace

- CMRD 6: state of play  
Members will receive an update of the last steps of the legislative process, followed by a discussion on the national implementation.
- CMRD 7: impact  
Members are invited to give input on which substances will have an impact for their member companies of CMRD7.
- Sentinel markers

Following our discussion in the previous H&S Committee meeting, members are invited to give their views on the use and utility of sentinel markers versus non-binding limit/binding limit for the upcoming revision(s) of the CMRD.

#### **4. Workplace Mental Health**

The topic of mental health (MH) and psychosocial risk (PSR) at work is high on the European agenda. It is one of the topics of the second phase social partner consultation on the Commission's Quality Jobs Act, to which Ceemet responded.

Members will receive an update of the state of play of the own initiative legislative report of MEP Ceulemans on psychosocial risks, stress and mental health at work in the European Parliament.

Members who are active or engaged more broadly in the activities of ACSH and/or its Working Parties are invited to intervene during this agenda point.

#### **5. Revision of EU OSH Directives**

Members will receive an update of the state of play regarding the upcoming revision of the two Directives mentioned hereunder. It was one of the topics of the second phase social partner consultations on the Quality Jobs Act, to which Ceemet responded.

- a. Display Screen Equipment (90/270)
- b. Workplace (89/654)

Members who are active or engaged more broadly in the activities of ACSH and/or its Working Parties are invited to intervene during this agenda point.

#### **6. Climate change & OSH**

Members will receive an update of developments at EU level. In the discussion, Members are invited to provide an update on this topic at national level, following the high temperatures in the summer of 2026.

Members who are active or engaged more broadly in the activities of ACSH and/or its Working Parties are invited to intervene during this agenda point.

#### **7. National roundtable**

Members are kindly invited to prepare one slide (that will later be shared with the Members) to present news from their country on:

- a. AI in H&S issues
- b. Other H&S news

#### **8. Miscellaneous**
